ADVANCING

Niagara's Industrial Sector

niagara
industrial association

MANUFACTURING IS ALIVE AND WELL IN NIAGARA!

The Niagara Industrial Association is a Niagara-based, not-for-profit organization established in 2008.

Our association is membership-led with a focus on supporting the interests and growth of manufacturing and related industries in Niagara.

The prosperity of the industrial sector is critically important to our local and national economies. It is our mandate to ensure that we remain as a recognized core sector so that our businesses can succeed.

DELIVERING VALUE TO OUR VALUED MEMBERS

Our mandate and focus centres around providing value to our members through the ongoing growth and development of three strategic pillars.

NETWORK

We foster a collaborative industrial community

RESOURCE

We are an access point to relevant information

ADVOCATE

We represent industry at a political level
